CSEDGE

May 18, 2024

Dear MOHAMMAD MUZAMMIL AZMATULLA KHAN ,

Congratulations on your selection for the **Web Development Internship** at **CSEDGE**, starting on May 20th, 2024, and concluding on June 20th, 2024. We're thrilled to have you on board for this exciting opportunity!

At CSEDGE, we believe in the power of virtual internships as valuable learning experiences. Over the course of a month, you will have the chance to engage in hands-on learning and complete assigned tasks tailored to your preferred internship role. These tasks may encompass various areas such as web development, Python, data analytics, UI/UX, or other relevant domains. Upon successful completion of these assignments, you will be presented with a certificate, recognizing your dedication and achievements during the internship.

By accepting this offer, you commit to approaching each task with diligence and ensuring excellence in your work. This virtual internship is a unique opportunity for you to learn, grow, and develop new skills that will undoubtedly contribute to your future success.

We look forward to welcoming you as a valuable member of our virtual internship program at CSEDGE. Get ready for a rewarding journey that will not only enhance your professional skills but also open doors to new opportunities in the tech industry.

Welcome to CSEDGE!

 Best of luck!
